A.W.M.C. ANNUAL MEETING

One hundred and seventy members attended the fourth annual general meeting of the Altona Working Men's Club, held at Koorlingal Golf Club last Monday night.

Members elected to the management committee for the ensuing 12 months are—President, A. Lyon; secretary, W. Spence; vice-president, M. Hammett; treasurer, R. Beattie; membership secretary, G. Stirling; six committee members, S. Rowe, E. Sharp, J. Watson, J. Banks, G. Sherriffs and F. Flett.

Two cheques were presented to the management committee. On behalf of the Associates section Mrs. Rene Baldwin, treasurer, presented a cheque for £650—proceeds of

the associates activities for the year.

Mr. Charlie Thomson, a member of the social functions committee, handed over a cheque for £260.

ROCK GROYNE

The M.M.B.W. has no funds allocated this year for the construction of a groyne near the end of Millers Road at Seaholme.

The matter will be listed for consideration next financial year.

The Board will not object to the council proceeding with its construction, providing prior agreement to its design by the Board and the Public Works Department. There has been a suggestion that stone removed from the construction of the Board of Works proposed drain from Cherry Swamp to the sea could be utilized in the work.

A delay in this matter is not desirable. Mr. Wood (Foreshore Engineer, Board of Works) in suggesting the groyne, indicated that the results might not be entirely as desired. Seaweed as well as sand could be built up.

However, it is at least an experiment which could throw much light on Altona's beach problems.

At the last council meeting councillors instructed the shire engineer, Mr. R. C. Simmons, to prepare a report on the proposed groyne.

ALTONA ROAD BRIDGE

McDonald Constructions are preparing to commence foundation work for the bridge over the proposed drain across Altona Road near the eastern end of Civic Parade.

Work will not commence till the remaining flood waters have receded and are pumped out.

Tenders have been called for the supply of prestressed concrete beams for the bridge.

COUNCIL BREVITIES

The shire president (Cr. A. W. Bond) has been nominated by the Altona shire council as a life governor of the Altona District Hospital.

Permission was refused the Watch Tower Convention to use a sound car to advertise a Bible Lecture at the Show Grounds.

The application of Messrs. G. & M. Tarascio for permission to construct a 'Squash Court on Lot No. 250 Sargood Street, Altona, was not granted.

Mrs. Thyer and Mrs. Wynhoyer have been appointed to the positions of cleaners at the shire offices.

Mr. G. Muldowney, the occupier of a shack at 30 Amaranth Avenue, has been served with notice requiring him to remove all refuse and rubbish from the property and to remove animals and birds from the premises. This was at the instance of the health inspector.

Altona Bowl Opens

Gathered around the "magic circle" at the Altona Bowl are (left to right): Val Czechow of Brooklyn, Andrea Wooles (Altona), Howard Berry (Altona), Mavis Isbister (West Footscray), Keith Vanderpoel (Altona) and George Scranton, an instructor at the Bowl.

Last week was open week at the new 9-lane Altona Bowl. The management of the Bowl issued invitations to residents and workers employed in the district to attend the centre and participate in the bowling.

Altona shire councillors accepted an invitation to try their hands at bowling last Friday night.

The centre is now open for all players and leagues are being formed for bowlers who like competition play.

Six lanes will be used by leagues every week night (Monday to Friday). Saturday will be open bowling. Sunday will be open bowling from 8 a.m. to 9 p.m. but after 9 p.m. the Sunday night league will operate.

Morning leagues for ladies and Saturday morning leagues for children will be organised shortly. Starting dates will be advertised in the "Star."

CAREERS NIGHT AT TECHNICAL SCHOOL

Arrangements are well in hand for a Careers Night to be held at the Altona North Technical School on Wednesday, August 14, at 7 p.m.

Experts in a wide variety of occupations will be present to share their experience and knowledge with the boys and their parents.

The Altona Apex Club and Altona Rotary Club are assisting the school staff in the organisation of the night.

Assistance is also being given by the Apprenticeship Commission, Commonwealth Employment Service, Psychology and Guidance Branch of the Education Department, local industrial firms, S.E.C., M.G.'s Department, Victoria Railways and others.

One wing of the school building will be set aside for interviews and advice on about 50 different vocations, while in another wing will be displays and exhibits provided by local firms to show their general field of activities and the opportunities available for employment. The school principal, Mr. W. R. Seamer, would be pleased to hear from any local firms or persons, not already contacted, who would like to assist. (Please phone the school at 65-1058 or at 65-1170 no later than Aug. 5.

EDITORIAL

OPTIMISM

We owe a lot to the optimist. Optimism is the key to progress. It has been the instinctive inspiration of our explorers, our scientists, all venturers into the unknown.

It is the spirit that has led many to seek a new life in a new land. Without it all trade would stagnate. The cultural, moral and spiritual progress of humanity is on it dependant.

An unreasoning attitude of optimism is not good. The concept of platitudes such as, "Every cloud has a silver lining," or "God's in His heaven, all's right with the world" is not sufficient.

It might not be desirable to agree to—"Come, let us sit and watch the sky
And fancy clouds where no clouds be," but our optimism should have some grounds.

The optimist often looks at the world through rose coloured spectacles, or even refrains from looking. This is the danger that often leads to shipwrecks and unhappiness.

If he rather bases his attitude on past experience, present circumstances and the potentialities of the future he is a true optimist—a realist.

True optimism is not a passive state of mind—it is a positive mental attitude based on knowledge.

The optimist commits himself to the philosophy, "All things work together for good."

The realist basing his attitude on reason completes the thought, "All things work together for good to them that love God."

The Altona High School was notified by the Education Department today (Thur. Aug. 1) that Matriculation Classes will be commenced at the school next year.

DEFECTIVE SEA WALL—WHO IS TO BLAME?

Responsibility for maintenance of the sea wall breached near Sargood Street rests with the Board of Works.

Mr. T. Higgins, who resides at the corner of Sargood St., and the Esplanade, had written that since the bad state of the sea wall was known to council officers, the council should compensate him for damage to the fencing in the front of his property.

Actually the wall was built by the Lands Department and it came under the control of the Board of Works about five years ago. Councillors were critical of the Board's inaction in maintaining the wall.

Cr. J. J. Ginfier has discussed the matter with the Board's engineer, to whom he also emphasised the danger to the roadway itself. Cr. Ginfier intends to keep the matter before the Board.

UNREGISTERED BOAT

A. G. Hunter, of David St., Altona, was charged that on February 2, in Port Phillip Bay near Altona, he did operate a motor boat, the length of which was under 16 feet without being carried thereon a waterproof torch.

Also he did fail to have one portable fire extinguisher and one approved life-jacket for each person on board. Also, that he did use a motor boat required to be registered without it being registered. He pleaded guilty to the four charges.

Commander William Rogers, assistant port officer, said at 1 p.m. on February 2 whilst on patrol in Port Phillip Bay in the vicinity of Altona he inspected a boat which he noticed from a distance had no registration number on the box. Asked why he was not registered Hunter said he had not got around to it. He checked the boat for equipment and found there were no life jackets on board, no fire extinguished and no torch. It was an open wooden boat, painted white. He was not able to measure it because of conditions, but asked Hunter how big it was, and Hunter told him it was 16 feet.

Hunter told the Court he did have all the required equipment but it was in the car.

Mr. P. J. O'Connor, S.M., said it was not proved that the boat was under 16 feet, the Commander did not measure it and defendant said it was 16 feet. The Act stated boats under 16 feet and he dismissed those three informations. He fined Hunter £5 with 10/- costs for failing to register it.

ALTONA A.L.P. CORRESPONDENCE TO COUNCIL

Matters which the Altona East A.L.P. had referred to the Altona Shire Council received full consideration at the last meeting.

It was agreed that small footpath be laid to give passengers better access from the footpath onto the tarmac in front of the bus shelter. At present passengers have to walk through mud.

The branch requested that addresses and numbers of shops be clearly defined and shopkeepers be notified about same. It is council policy that numbers of shops and dwellings be clearly defined and in a prominent position. Rate payers were so notified in an enclosure with rate notices.

Concerning the litter lying in front of shop premises in The Circle the health inspector was requested to make an inspection and inquiries. Further it was agreed that shopkeepers be instructed to keep the centre tidy.

Mr. Jurga's complaint regarding the C.G.A. not restoring road in front of his property was sympathetically received. It is not the first time this has happened and the company is very dilatory.

It was agreed that the policy of the council was to see that all contractors opening roads, &c., restored them with appropriate materials. The shire engineer (Mr. R. C. Simmons) was instructed to keep close watch.

BUS CANCELLATION

Bus travellers, please take note that as from Monday, August 12, the 7 p.m. Altona to W'town bus, and the 7.30 p.m. Williamstown to Altona bus will cease to run.

These buses will be replaced by a 6.45 p.m. Altona to Footscray, returning from Footscray at 7.30 p.m. Monday to Saturday. Other buses will also run on Friday and Saturday nights to Footscray to cater for picture crowds, commencing on Friday, August 16.

Masonic Ball Debutantes

Williamstown Town Hall was the setting for the ball organised by the Altona Masonic Lodge on Ladies night, last Friday, July 26.

Eight lovely debutantes were presented to Worshipful Master Bon Beacon and Mrs. Deacon. Leading the debutantes were a flower girl and page boy.

The girls were dressed in individual white frocks, carried blue ostrich plumes and wore attractive diamante head pieces.

Among the 400 guests, enjoying the dancing were several young ladies who were members of the debutante set presented at a Lodge Ball two years ago.

Assisting Wor. Bro. and Mrs. Deacon receive the guests in the foyer was their daughter Lynette.

21st BIRTHDAY

Miss Norma White, the elder daughter of Mr. and Mrs. Norm White, celebrated her coming-of-age party in her home, 42 Queen Street, Altona, last Saturday night.

Forty relatives and ten special friends gathered together to make this a happy night for Norma.

She was very pleased to see her grandmother come along and join the party of young people.

Included in the many beautiful gifts she received was a cutlery and dinner set given to her by her parents.

Norma particularly wished to thank all her relatives and friends for the many cards and greetings she received.

ENGAGEMENT

The engagement is announced of Leonie Dumbleton, the younger daughter of Mr. and Mrs. F. G. Dumbleton, 137 Ballarat Road, Maidstone, and John, second son of Mr. and Mrs. J. Devereaux, 8 Goble Street, Laverton.

On Saturday night, August 3, a celebration party will be held at the Footscray Town Hall.

ENGAGEMENT PARTY

To celebrate the recently announced engagement of Helen Bilston to Allan Quick, of the R.A.A.F., Laverton, a party was held last Saturday night at the home of Helen's parents, 15 Fitzroy Street, Laverton.

Among the 50 guests who gathered on this happy occasion were relatives of both Helen and Allan.

SCOUT DANCE

This Saturday, August 3, is the date for the next dance to be held in the Scout Hall, Civic Parade, Altona.

Dancing to the music provided by a good orchestra will commence at 8 p.m. Dances to suit all ages will be on the program and supper will be served. All are welcome.

ST. MARY'S MOTHERS' CLUB

Members of St. Mary's Mothers' Club will meet in St. Mary's Hall next Tuesday, August 6, at 2 p.m.

Other activities planned for this month include a card and social afternoon on Tuesday, August 20, at 1.30 p.m., and a Jumble Sale on Tuesday, August 27, at 1.30 p.m.

THANKS TO COLLECTOR FOR CHARITIES

Mr. George Skinner, a former resident of Altona, has received a letter thanking him for his efforts in collecting £12/7/- for the St. Vincent's Hospital Building Appeal.

The appeal committee thanked George for his time, interest and hard work in collecting for the appeal.

The committee said this effort is one of many such wonderful gestures of goodwill which has helped to make the appeal a success and which brings home to them the fact of how highly the hospital is held in the eyes of the community.

Over the years George has collected for a number of charities and during any charitable appeal you can be sure George will be doing his share of the collecting.

PATIENT BETTER

We are glad to hear Mrs. Vola Devereaux of Goble St., Laverton, is getting well again. She had been confined to bed with pneumonia.

YOGA DEMONSTRATION

The Young Wives Group of St. Eanswythe's Church of England invite the ladies of Altona to attend a yoga demonstration in the Parish Hall, Queen Street, Altona, on Monday, August 5, at 1.30 p.m.

The demonstrator will be from the Southern School of Yoga. Afternoon tea will be provided.

Bowling "STARS"

Last Tuesday morning some of the ladies of the district tried the latest sporting craze to hit Altona.

Novices all, they took advantage of the 10-pin bowling lessons available for housewives at the new Altona Bowl.

Previously, most of them had not even seen the inside of a bowling alley, but with their sense of adventure and seeking new diversions from their housewifely chores, how could they stay away?

Marlene Matthews, formerly a champion sprinter, spoke to the ladies on what you should do and what you should not do in trying to knock those 10 pins down.

Being a group of perverse women aged 20 to 60 years (no apologies) they promptly forgot half of this very excellent advice and proceeded to bowl along in their own sweet happy way.

They were a little unorthodox in their play. As women, they had to do things differently.

One of the players did not like the lane she was supposed to send the bowl down, so, in delivering the bowl, sent it across two lanes and skidded the pins in the third lane away—she wondered why no score was allowed!

The best exhibition was by the player who decided the bowl was not large enough to knock down those 10 pins. She dropped the bowl and threw herself down the lane, gliding along on her left side—she still did not get a strike.

But now they have played a whole two games of 10-pin bowling the ladies feel they can pass on to the newer novice, pointers picked up by their experience (?)

One trick is, should you consider the bowl looks too heavy for a weak female, firstly try handling one of the bowls meant for a man. The difference in weight is so marked you will think the ladies bowl is as "light as a feather" instead of weighing a mere 10 bs.

Also when you start bowling do not plan any strenuous activities for the following week—for some reason your left hip and leg refuse to function properly—something seems to have made them a little stiff.

It seems this sport will produce a crop of women with well developed left legs and right arms—that muscle in their right arm will become larger than a ripple—so men look out for that "right cross."

QUEENSLAND TRIP

Mr. and Mrs. Charles McDonald, of Blyth St., Altona, have recently returned from a month's holiday in Queensland.

They travelled as far north as Cairns, where, being ardent lawn bowling fans, they picked up some trophies at the local green.

While in Cairns they met Mr. Vic Ingerwersen and Mrs. Ruby Ingerwersen, who were lapping up the sunshine.

At Rockhampton they spent a weekend with former Altona Resident, Mrs. Gordon Wafer and husband (Mrs. Wafer was the former Shirley Richardson, a sister of Mrs. Beryl Davis, of Davies Street, Altona).

Mrs. Wafer asked to be remembered to all her former friends in the district.

At Coolangatta they met Mrs. Carmel Ford of Altona, and Mrs. May of Williamstown, and played bowls with Tom and Jessie Oliver, formerly Footscray residents.

During their holiday Flo and Charles McDonald went on many trips and tours, including a most enjoyable trip to Green Island and they have returned home with a number of souvenirs of their tour.

STREET STALL

St. Eanswythe's ladies will be holding their August street stall on Saturday morning.

Goods for sale may be left at the vicarage, or brought to the stall on Saturday morning.

BOWLING CLUB NOTES

The winning rink at last Wednesday's game was skipped by Edna Flynn, who played with Eileen Thomas and Edith Roach.

Sunday winners were John White (skipper), Edna Flynn, Bub Davey, and Glad Wallis.

It is congratulations to Bob and Joy McMinn on the 18th anniversary of their wedding day.

Members are happy to hear Dora Hill is home from hospital.

Edna Flynn has been elected to fill a vacancy on the committee of the Ladies Bowling Club.

YOUTH CLUB MEETING

A social meeting of members of the Altona Youth Club will be held at 201 Queen Street, Altona, on this Friday, August 2, at 7.45 p.m.

NEW "SET-UP"

Worshippers at St. Eanswythe's on Sunday will meet with a new "set-up" in two respects.

The interior of the church will have taken on a new appearance after Saturday's painting effort, and should provide a much better environment for worship; and there will be a new musical setting introduced for the 9.30 a.m. Holy Communion Service.

Altona Defeat South by 31 pts.

In a fast, interesting clash at Grant Reserve on Saturday, Altona took another big step towards premiership honours when they completely eclipsed Werribee South by 31 points.

Altona v. Werribee South			
1st Quarter	2 2 14	1 0 6	
2nd Quarter	5 6 36	2 1 13	
3rd Quarter	5 8 38	4 7 31	
FINAL	9 9 63	4 8 32	

The game commenced in good conditions with both sides scoring goals early. However, Altona gained the upper hand through the solid ruck play by Derek York and the clever centre play of Malcolm Tisdale.

At this stage, Tisdale had the better of South's Len Allison and was proving hard for South to counter. "Gabby" Hayes was giving South good service at centre half-back whilst at the other end of the ground "Stumpy" Locke was having a field day in the back pocket for Altona.

It was all Altona in the second term as they simply outclassed their rivals with clever teamwork and greater vigor.

Bert Oldfield and Andrew Gouloupoulos were combining well in the ruck for South but anything they were instrumental in sending forward was capably turned back by Altona's brilliant defence. At half time Altona had a good 23 point lead.

After the interval South went into the game with more determination and took the initiative from Altona.

However, their kicking for goal let them down and they finished the quarter with eight extra scoring shots on the board, but only two of them were "sixers". Some of the credit for South's tight back must go to captain Tom Stoios and his brother Nick, who tried desperately to get their side right back into the game.

Altona turned on a dazzling display of teamwork in the final term and gradually drew away from their opponents.

Noel Rohleder was in everything and was responsible for most of their attacking during the quarter. Altona almost doubled South's score and showed they are the force to be reckoned with when calculating possibilities for the flag.

Best.—ALTONA: Locke, D. York, Tisdale, Callender, M. Piovesan. WERRIBEE STH.: Oldfield, Hayes, T. Stoios, R. Dove, Closter.

Goals.—ALTONA: Piovesan 3, Stephenson 2, Rowson 1, Rohleder 1, Newman 1, Peterson 1. WERRIBEE SOUTH: Munyard 2, T. Stoios 1, N. Stoios 1.

NEWPORT EASY WIN

Newport proved too strong for Laverton in an uneven affair at Laverton on Saturday.

Laverton v. Newport			
1st Qr.	2 1 13	5 3 33	
2nd Qr.	2 1 13	7 10 52	
3rd Qr.	3 4 22	12 13 85	
FINAL	6 6 42	16 20 116	

With good rovers and a purposeful attack, Newport opened up a handy lead, although it was not until the second quarter that they really threw Laverton off.

Noel West defended strongly for Laverton all day and had it not been for his efforts, Newport would have certainly held a bigger lead at half-time.

Gerry McNamara and Brian Muschiali combined well on Newport's forward line and with "Tich" Horner in command in the centre, Newport had complete control of the game.

Tom Jenkins was in his usual good form and was capably assisted by Brian Johnston. Laverton's Alan Taylor was always trying his utmost but it was to no avail, as his forwards were not able to convert as many chances as they would have liked.

Best.—NEWPORT: Johnston, McNamara, Jenkins, G. Horner, Dooley. LAVERTON: West, Taylor, B. Green, L. Hall, J. Hall.

Goals.—NEWPORT: Jenkins 4, Muschiali 3, Johnston 3, Dooley 2, McNamara 2, J. Woodsell 1, Hope 1. LAVERTON: Taylor 1, Lyons 1, L. Hall 1, Sewell 1, Hinds 1, J. Hall 1.

CENTRALS THIRD WIN

Central Altona scored their third win for the season when they easily defeated Williamstown Rovers at Newport on Saturday.

Rovers v. Centrals			
1st Qr.	0 0 0	5 5 35	
2nd Qr.	1 5 11	6 5 41	
3rd Qr.	2 8 20	8 9 57	
FINAL	3 15 33	8 12 60	

With a brilliant first term, Centrals stopped any idea that Rovers may have had of getting off the bottom by kicking a winning score before the Rovers could get off the mark.

Len Marr again was a power behind the Centrals, as was Ron Dingey and John Pitt for the Rovers when they began to revive in the latter stages. However, poor kicking robbed them of any chance they may have had and they had to contend with yet another defeat.

Best.—CENTRAL ALTONA: Marr, Clarke, Kennedy, Tavilla, Trevean. WILLIAMSTOWN ROVERS: Pitt, Wolski, Dingey, Chamings, Matthews. Goals.—CENTRAL ALTONA: Lowden 2, Barnes 2, Smith 1, Cleland 1, Trevean 1, K. Murrell 1. WILLIAMSTOWN ROVERS: Pitt, Tweedly, L. Moore 1.

SOUTH OUTBUMP ALT. TO WIN

Werribee South, with stronger rucks and perfect teamwork, outbumped Altona to win by 38 points in a fast, hard hitting game at Chirnside Park on Sunday.

Werribee South v. Altona			
1st Qr.	1 2 8	2 1 13	
2nd Qr.	4 5 29	4 3 27	
3rd Qr.	8 10 58	5 6 36	
FINAL	10 15 75	5 7 37	

Altona started the game with confidence by scoring a goal almost immediately.

However, South's small, but elusive full-forward, Bob Edwards, soon replied for South and the struggle was on.

Altona were trying to adopt their opponents play-on game, but were failing dismally, whereas South had their handball down to a fine art. Austin Molloy was showing dash around the packs and, although not starring, he was able to give his side sufficient drive to enable them to hold a narrow lead at the first change.

South could have gained the lead early in the second term but missed some easy chances. After being under constant pressure, the visitors eventually sent the ball forward for Garry Mildern to score his second and his side's third goal to give them an eight point advantage.

But South's Don Stuart, a ruckman resting in the back pocket, repeatedly repelled many Altona attacks and with Don Traianon out manoeuvring Alan Bartolo in the centre, South were able to give their forwards many opportunities. At the end of the second quarter South held a slight lead only but appeared the better side.

After the interval, South completely outclassed their opponents and their vigorous tactics soon began to give them the edge. Don Stuart was now turning his talents to general ground play with great success for South and Bert Allison was beginning to show his tenacity. Geoff Ewen tried vainly to lift his side but his efforts were unwarded as his forwards were "never in the hunt." The scoreboard at three-quarter time indicated a handsome 22 point lead to the home side, who appeared to have the game sewn up even at this juncture.

The final quarter was all South. They had the ball in their attacking zone for most of the quarter and the only time that the visitors did attack it was easily repulsed by the strong defence of the home side.

It was hard to find a weak link in South's line-up and it was equally as hard to find a good player for Altona. If South can only produce this form again next week they will give Centrals the shock of their lives.

Best.—WERRIBEE SOUTH: Stuart 2, ALTONA: Page 1, rest of the side. ALTONA: McLean, Ewen, Itter, Ward, Molloy.

Goals.—WERRIBEE STH.: R. Edwards 5, Allison 3, Stuart 2. ALTONA: Page 1, Ewen 1, Clarke 1, Mildern 2.

CENTRALS WIN WELL

In a one-sided game at Gray Reserve on Sunday, Central Altona showed their superiority by easily accounting for fourth place holders Williams-town C.Y.M.S.

Centrals v. C.Y.M.S.			
1st Qr.	7 7 49	1 1 7	
2nd Qr.	9 9 63	2 2 15	
3rd Qr.	16 16 112	2 2 15	
FINAL	18 21 129	5 5 35	

Centrals meant business from the outset and soon had a handy lead.

Most damaging players for them were "Baldy" Szatkowski who had complete control of the centre and Mick Hill, who was a tower of strength at centre-half forward.

Steve Rieger, Town's star ruckman, was showing his opposing ruckmen the art of palming the ball, but his efforts were wasted as Centrals rovers sharked these knock-outs repeatedly. Don Kakoschke was scouting cleverly for Centrals and has certainly proved a capable stand in for the injured Ian Gathercole.

Although well in front, Centrals still had to play hard in the closing minutes as CYMS kept the pressure up and did not throw the towel in until the final bell had sounded.

However, they were out-classed by a far better side on the day.

Best.—CENTRAL ALTONA: Hill, Johnstone, Banks, Szatkowski, Kakoschke. C.Y.M.S.: Rieger, Gulliver, P. Zamykal, Jamieson, Foster.

WERRIBEE OUTCLASS INF

Werribee proved to be far too skillful and determined for I.N.F. in the big "grudge" match at Soldiers' Reserve on Sunday.

Werribee v. I.N.F.			
1st Qr.	4 6 30	0 1 1	
2nd Qr.	5 8 38	2 2 14	
3rd Qr.	8 12 60	2 2 14	
FINAL	12 15 87	4 4 28	

From the outset Werribee took the initiative and after Greg Doolan kicked their first two goals the team gained confidence and brushed aside the ragged I.N.F. defence that had only Michael O'Malley with the desired determination.

With Werribee controlling all the key positions, it was left to Ron Reidy and Les Richens to initiate I.N.F.'s attacks, but these were quickly repelled.

Although Werribee had control, mainly through their old stalwarts, it was not until the last term that the entire team assented their supremacy.

Although against the wind in the final term, Werribee showed good teamwork and with Arthur Cook and new-comer Kevin Barry playing well they swept away from I.N.F., who were not match for Werribee.

Best.—WERRIBEE: Michael Sheahan, D. Smith, A. Cook, G. Marini, R. Phemister. I.N.F.: R. Reidy, Mazzonetta, O'Malley, Richens, Rigo.

Goals.—WERRIBEE: Cook 3, G. Sheahan 3, Doolan 1, Phemister 2, P. Bellin 1. I.N.F.: Wall 1, Parker 1, J. Reidy 1, Bell 1.

I.N.F. THRASH FARM

I.N.F. absolutely thrashed Metro. Farm at Chirnside Park on Saturday and proved one of two things—either they are extremely good, or Farm is going backwards instead of forwards.

I.N.F. v. M. Farm			
1st Qr.	2 1 13	1 5 11	
2nd Qr.	8 3 51	1 7 13	
3rd Qr.	11 12 78	1 9 15	
FINAL	15 14 104	3 10 28	

With a winning ruck, including Terry Edwards, and a creative roving division, led by captain Peter Wakefield, I.N.F. were never troubled by Farm, who were only able to manage one goal in the first three quarters.

Although their rovers were sending the ball forward repeatedly, I.N.F. found that Farm's young but effective full back, John Aldersea, was holding leading goalkicker Jim Townsing and they had to find another avenue of attack.

Brian Smith and Dennis Cooney had a great battle in the centre all day and although Smith was damaging at times, Cooney was the most impressive. Farm, on this performance, can forget all about this year and try to build up the necessary team spirit that they may be of use to them next season.

Best.—I.N.F.: B. Smith, W. Edwards, W. Miller, Bern Smith, Wakefield. METRO. FARM: D. Cooney, Aldersea, Brown, E. Wigg, R. Brown.

Goals.—I.N.F.: Townsing 4, Edwards 3, B. Smith 3, Sam Pante 2, H. Smith 1, W. Miller 1, Wakefield 1. METRO. FARM: Wigg 1, Martini 1, Hart 1.

I.N.F. TO BECOME OUTRIGHT LEADER?

In the main game in the Werribee League on Saturday, top team, NEWPORT meet I.N.F. at Chirnside Park.

Since Newport joined the League in 1956 these teams have met 16 times and the honours are with I.N.F., who have been successful on 11 occasions.

As the winner of this game becomes outright leader, the game is sure to be a thriller. Although Newport defeated Werribee South on this oval earlier in the season, their type of play is more suited to smaller grounds and I.N.F.'s pacy little men should be able to break away more often and send the ball to their reliable forwards who should convert these opportunities to a winning score.

After being soundly defeated last week, WERRIBEE SOUTH should have a good win this week over CENTRAL ALTONA at Langshaw Reserve on Saturday.

There are many factors behind selecting South but to detail them would be foolish. The only thing against them might be the short Central's

ground, but their overall ability and strength should be able to counter anything Centrals can offer and enable them to score easily.

Disappointing METRO. FARM are at home at the Soldiers' Reserve on Saturday to LAVERTON and although their record is not particularly encouraging they should have too much talent for their opponents.

If there is a surprise this week it could be in this game, but, on paper, it looks like Farm have the better prospects.

ALTONA are "on top of the world" following their morale boosting win last week and they should issue a football lesson to the youthful WILLIAMSTOWN ROVERS at Newport on Saturday.

Rovers have not shown any form this year, which indicates they are not likely to cause any trouble to Altona on this occasion.

This week's junior games capitals are—

Overhead Light Hazard

The overhead light at the Werribee turn-off near the commencement of the Maltby By-Pass on Princes Highway is a hazard to traffic according to the Werribee Ambulance Service.

The ambulance service has requested the Werribee council to draw the attention of the Country Roads Board to the danger created by this light.

Cr. Hudson said following letters from the Chamber of Commerce to the C.R.B. on lighting at the turn-off, he thought the C.R.B. had improved the lighting considerably.

Cr. Earl suggested "cats eyes" were needed to show car drivers the direction of the highway and the turn-off.

Cr. Davis said he thought there was room for a lot of improvement at the Geelong end of the by-pass and suggested "cats eyes" for that end of the by-pass.

Although approaches to the turn-offs have been vastly improved council agreed to the suggestion of Cr. Earl that a request be sent to the C.R.B. for "cats eyes" at both ends of the by-pass.

Trains without Lights

Correspondence from the Werribee Shire Council regarding goods trains passing at night without lights over the open level crossing near the R.A.A.F. Station, Laverton, as been acknowledged by the Victorian Railways.

Cr. Davis said he hoped the Railways will at least advise the train drivers to keep their headlights on while travelling through Laverton. He said both he and Cr. Gibson had seen the trains without lights. When he complained to the station master he was informed the driver had forgotten to switch them on.

As a request 12 months ago for a meeting with officers of the Railways Department had been ignored Cr. Davis suggested if no further correspondence on the problem is received from the Railways Department the matter should be taken up with the Minister through the local Member.

To allow the Railways Department time to take further action in the matter councillors agreed a stay of action for a few weeks.

WERRIBEE RIFLE CLUB

A team shoot against Lancefield was held at the 700 yard range last Saturday. Strong right winds in the early stages kept scores low, however, J. Wilson, of Lancefield, scored a possible 50, and with a 34 in the second stage, finished the day with a loss of one point.

After the first round of 10 shots Werribee were down by 12 points, however, after the second round of seven shots, Werribee came out winners by five points, possible being shot by B. Comben, D. Brequet, G. Thomas, and P. Monk.

Details.—First Round: Werribee 351, Lancefield 363. Second Round: Werribee 623, Lancefield 618.

Details of the Weekly Shoot are as follows—

A GRADE Scratch: B. Comben. A GRADE Handicap: J. Sandford.

B GRADE Scratch: E. Watt. B GRADE Handicap: A. Wagner.

Score cards were—

A GRADE

B GRADE

A. Wagner, 45, 27 (18.6)—90.6; G. Taylor, 44, 25 (20.0)—89.0; I. Roberts, 45, 28 (15.2)—88.2; E. Watt, 43, 32 (12.0)—87.0; D. Gould, 30, 22 (24.0)—76.0.

Next Saturday G. Thomas, the club champion, will shoot in the No. 19 Union Champion of Champions at Williamstown Range, the club wishes him every good fortune, the shoot at the home range will be at 600 yards.

NO LIGHTS AVAILABLE

No supply is available for street lighting on the old Geelong Road near the entrance to the I.C.I. Pigment Plant.

This is the answer received from the State Electricity Commission by the Werribee Shire Council in reply to a request for the lighting.

In this area the supply from which street lighting is taken, is not available at present. However, the S.E.C. said if more houses are erected in the area the supply would become available. A copy of the reply from the S.E.C. is to be forwarded to I.C.I.

LAVERTON JUN'S DEFEAT NEWPORT

Laverton returned to the winning ranks by soundly defeating Newport in a low scoring game at the Gray Reserve on Sunday.

Newport v. Laverton					
1st Qr.	0	1	1	3	2 20
2nd Qr.	1	3	9	3	7 25
3rd Qr.	1	4	10	5	8 38
FINAL	2	6	18	6	11 47

With a solid defence, led by Jeff Cameron, Laverton made it difficult for Newport to attack, and this somewhat cancelled the great drive that captain Andy Stewart was giving his side from the centre.

Bob Kite was again a serviceable player for Newport, but the highlight of the game was the great display of Laverton's Robert Rigney. Rigney scored four of his side's six goals and was a constant

threat to Newport's rather frail defence.

Laverton deserved their win and must go into their next game against Werribee with confidence. Johnny Pyne is a key player in their line up and if he can "click" Werribee will have some worrying moments.

Best.—LAVERTON: Cameron, Hersbach, Rigney, Howell, Mathews. NEWPORT: Andy Stewart, Lynch, Kite, McDonald, Moir.

Goals.—LAVERTON: Rigney 4, Hersbach 2. NEWPORT: Paradowski 2.

ANNUAL MEETING OF LAVERTON PROGRESS ASSOC.

The annual meeting of the Laverton Progress Association will be held in the Memorial Hall, Railway Avenue, Laverton, next Monday night, August 5, at 8 p.m.

At the meeting reports on the activities of the association during the past 12 months will be presented and election of office bearers for the ensuing year will take place.

The association issues an open invitation to all Laverton residents to attend the meeting.

They would like to see more people in Laverton taking an interest in the association.

Improvement to the district can only be obtained by residents giving their support to the association.

By attending meetings residents would be able to voice any suggestions they may have or air their grievances.

KIOSK REQUEST

Mr. B. L. Pollard applied to the Werribee Shire Council for permission to erect a kiosk on Soldiers' Reserve.

Mr. Pollard runs the kiosk at Chirnside Park.

The shire president (Cr. N. J. Smith) suggested the matter be left in the hands of Central Riding councillors and the shire engineer. He said he did not wish to see kiosks spring up everywhere.

But Cr. Hudson said he could see no reason for objecting to the kiosk and he moved the matter be referred to the Sporting Bodies for their recommendation.

Cr. Powell seconded the motion which was carried.

PETROL STATION APPLICATION REFUSED

An application for the construction of a petrol filling station on the corner of High Street and Railway Avenue, Laverton, has been refused by the Board of Works.

TRADE WASTE PROBLEM SOLVED

A. Weinberg Pty. Ltd. has informed Werribee Shire Council they are now discharging all wastes into the outfall sewer.

Previously water containing blood was being discharged onto land facing Dohertys Road, Laverton.

As the Offences Trades Regulations requires all drainage from an abattoirs to be discharged into the sewer, the council had directed the company to discharge all wastes into the outfall sewer within 30 days. The company has now acceded to council's request.

However, the company inquired if the council would permit them to discharge over their land during the summer months. They also asked to be exempted from paving the cattle holding yards.

The council has referred the requests to the shire health inspector with a request for a full report to be presented to the council.

KOORINGAL GOLF

Saturday's Stroke results are as follows—

A GRADE: A. J. Fisher (10) Net 73.

B GRADE: R. Spear (14), Net 72.

C GRADE: A. Linquist (26), Net 73.

Sunday's Bogey competition resulted in a tie between F. Johnstone (21) and P. McDewitt (13), both finished square.

Associates Stroke was won by Mrs. Emerson, Net 83.

Saturday was the first round of the Junior Championship, and the leaders at this stage are P. James 82, C. Black 82, and P. Jacobsen 82.

ASSOCIATES

On Wednesday, July 24, stableford was played over 2 holes, the winners were—

A GRADE: Mrs. N. Caddy (20), 24 points.

B GRADE: Mrs. Sandilands (36), 31 points.

Putting on round—Mrs. E. Waters, 19 putts.

WERRIBEE COUNCIL BREVITIES

At the last meeting Cr. B. Comben asked the shire engineer (Mr. McCormack) for an answer to the drainage problem on the Housing Estate, Laverton, as experienced during the last heavy rains.

Mr. McCormack agreed there was a lot of flooding in the area and asked that the problem be left in his hands.

To another question by Cr. Comben, who asked why improvements on Allen St. Reserve, Laverton, had not been finished, Mr. McCormack said wet weather had stopped work on this particular job, but it would be resumed when drier conditions prevailed.

In answer to a request from the Housing Commission for suggested street names for the new housing estate being planned for Laverton, Cr. Davis said they had taken an old parish map and selected names of original title holders of land in the district and submitted them to the Housing Commission.

Following a request from Cr. Gibson, signs reading "No Parking Any time, Buses Excepted" are to be erected on both sides of Duncan's Road, Werribee in the vicinity of the high school.

Cr. Comben also requested attention to the drainage problem in Triholm Avenue, Laverton. He suggested putting a culvert in and digging a drain across to the Highway.

'PHONE DELAYED

The installation of a telephone at the Pre-School Centre, Laverton, will be delayed up to 12 months.

The P.M.G. Department has notified the Werribee Shire Council that certain engineering works have to be carried out before a service can be connected to the Centre.

Cr. B. Comben suggested trying to obtain an extension from the telephone in the Welfare Centre. He said it is most important for the teacher and parents to have contact by telephone.

Council agreed to adopt Cr. Comben's suggestion for an extension telephone from the Welfare Centre to the Pre-School Kindergarten.

FOOTPATH COSTS TO BE EXAMINED

The matter of contribution towards the cost of constructing the footpath in Maher Road, Laverton (next to the R.A.A.F. Station) is being examined by the Department of Air.

At the Werribee Shire Council last week, Cr. B. Comben said this footpath is a necessity. Since the R.A.A.F. banned the parking of cars on the Station the personnel have been parking their cars in Maher Road and causing a very real problem there. Cr. Comben moved that "no parking" signs be erected on the south side of Maher Road. He also suggested a telephone call to the traffic commission to follow up a written request for attention to the traffic problem in this area. Council adopted both suggestions.

ALTONA EAST PRIMARY SCHOOL
FOOTBALL TEAM HAS FURTHER SUCCESSES

After winning the Sub-District Premiership, the Altona East Football XVIII had two convincing wins over Seaholme and Williamstown, leading up to the big final against Werribee today (Aug. 1).

In the match against Seaholme, the smaller visitors, had no counter to the bigger and stronger Altona East side, who combined well as a team, and made better use of a strong wind.

In the first quarter, with the wind, Altona East played strong straight-ahead football, and with rucks dominating and forwards moving smartly, they piled on 7.6.48 to 0.0.0.

In the third quarter East's kicking was badly astray, as they added 2.9.21. In the final quarter, Seaholme made better use of the wind and scored their two goals.

Quarter by quarter scores were—

Altona East v. Seaholme				
1st Qr.	7	6	48	0 0 0
2nd Qr.	8	6	54	0 2 2
3rd Qr.	10	15	75	0 2 2
FINAL	11	18	84	2 2 14

Goals: J. Sabo 4, D. Hendry 2, G. Dilderats 2, T. de Michele 2, V. Jovanovic 1, A. Bartlett 1.

Best players for Altona East were—

Derek Hendry—captain, who once again used his height and strength to dictate play and never fails to turn in a good game; Tony de Michele—a tall ruckman, whose marking and long kicking continually kept Altona East in attack; Guni Dilderats—another tall ruckman, who is just as clever on ground play as he is in the ruck; Vlada Jovanovic—roving, fast and clever around the ground, and took advantage of the winning rucks; Joe Sabo—at full forward, played well and kicked four goals. Bernard Ryan, roving; John Kizan, centre half-forward, and Alan Bartlett, centre half-back, were others to

show out.

Last week Altona East were far too strong for Williamstown, winning 3.18.66 to Williamstown's 0.2.2.

Once again a strong wind was blowing straight down the ground, and Altona East made full use of this advantage, kicking 8.10 of their score at the end favoured by the wind.

With rucks and rovers well on top, a tight backline and winning players in key positions on the forward line, Altona East finished the "home and home" matches in grand style.

Altona East v. W'town				
1st Qr.	4	5	29	0 0 0
2nd Qr.	4	11	35	0 1 1
3rd Qr.	8	16	64	0 1 1
FINAL	8	18	66	0 2 2

Goals: D. Hendry 3, J. Kizan 2, J. Sabo 1, G. Dilderats 1, V. Jovanovic 1.

Best players: Guni Dilderats—an outstanding game in the ruck, took numerous marks, and always forced the ball towards goal; Derek Hendry—Altona East's best player, a consistently strong forceful ruckman, who creates many opportunities for the rest of his players; Bernard Ryan—a clever game roving, with strong marking and good long kicking; Vlada Jovanovic—another rover, whose nippy play earned him many kicks on the forward line. Alan Bartlett, John Kizan and Stephen Bensch were others who played well.

ALTONA NORTH
TECHNICAL SCHOOL

The school athletics sports meeting will be held at the school on August 7 at 12.30 p.m.

The school is hoping the grounds will be in a suitable condition for the sports.

On the evening of August 7 the first parent-teacher night will be held for parents of students in Forms 4A, B, C, D and E.

The night for parents of students in Forms 3C, E, F, G and H will be on August 12. Both nights will commence at 6.30 p.m.

OSCAR IS COMING

Who is Oscar? Noel Ferrier, who will appear in "The Importance of Being Wilde," at the Assembly Hall, Collins St., and the Viking Theatre Club will be holding a special night on August 22.

The show will be set in the period of the Wilde and will prove to be one of the most interesting pieces of theatre introduced to Melbourne for a long time.

Details of the night may be obtained from the ticket secretary, Viking Theatre Club, P.P. Box 109, Hawthorn.

ELDERLY CITIZENS'
CLUB NOTES

The club would like to thank the ladies who came along on Saturday and waited on the tables at the birthday party, and to also thank the pianist Mrs. Spears, and Mrs. O'Neil for their help.

Mrs. Twentyman, who was the eldest person on the July Birthday Table, received a small gift. Everything went with a swing, and at the close everyone went home in a happy mood, having had a wonderful time.

On August 21 slides will be shown of the life and customs of the aborigines that inhabited Altona and district. Admission by donation.

ALTONA WEST
PRIMARY SCHOOL

The curtains that were provided for the teachers staff room have been finished and hung.

The teachers wish to express their appreciation to the Mothers' Club in general, and to Mrs. Morgan in particular for providing these additional amenities.

The next meeting of the Mothers' Club will now be held on the usual night, the second Thursday, August 8, at 7.30 p.m.

Recently the children received polio booster injections from the local health officer associated with the Altona Shire Council. Early this week Sister Wari of the School Medical Service tested Grades 2 and 5 and certain other children for possible defects in their hearing. Later this week Dr. Foley also of the School Medical Service, arrived at the school to give a thorough medical examination to the children in Grades 2 and 5. The idea is to examine these grades each year so then each child has a medical examination each third year.

Both teams of girls ended the basketball season in fine style by scoring wins over Laverton last Thursday. The girls displayed excellent team work and as the school increases in number so should their numbers of victories increase.

The girls have battled very hard during the year and have shown rapid improvement.

The boys likewise battled very hard and must be congratulated on their enthusiasm and fine sportsmanship.

The school wishes to express its appreciation to Miss McNeillage and Mr. Carter for their interest in coaching teams.

TRAFFIC FINES

Kazimierz Kempa, of Hansen Street, West Newport, was fined £5 for doing 45.48 m.p.h. in a 35 m.p.h. zone in Melbourne Road, Williamstown, and £5 for failing to give a signal when making a right-hand turn on April 8.

YOUTH ASSAULTS GIRL

An 18-year-old youth has been found guilty of unlawful assault with a weapon of a 14-year-old girl. Herbert John Chapman, of Seves Street, Altona, pleaded guilty to the charge at Williamstown Court last week.

The girl said that at 5.45 p.m. on July 16, while walking home along a lane near Osborne Street, Williamstown, accused grabbed her arm. When she told him to let her go he hit her over the mouth with what appeared to be a gun. Her mouth bled and later swelled.

When questioned next day by Constable J. Phemister, Chapman told him he caught a train from Newport to Williamstown with the idea of meeting the girl to have a talk with her. He said he had not made up his mind of what he was going to discuss with her. He knew she would walk along the lane but did not know at what time.

Chapman said when she walked past the doorway where he was standing, he lost his temper. He pulled a starting pistol from his pocket and used it to hit the girl over the face. He did not know whether he poked the pistol in her ribs.

Asked if the girl knew it was a starting pistol, Chapman said when he owned a previous one he told the girl he had a starting pistol but he did not know whether the girl knew it was a real gun or not.

Six weeks ago the first pistol fell apart and Chapman said he purchased another pistol and approximately 100 rounds of blanks a few days later. On the day of the assault Chapman said he did not know if the pistol was loaded. Most of the time he kept it loaded.

Chapman said he carried a pistol because he commenced work cleaning trains at 4.30 a.m. and sometimes there were men in the train who might tackle him.

He admitted being warned previously not to associate with the girl.

Chapman was found guilty of the charge and fined £5 in default seven days.

FAILED TO GIVE NAME
AFTER ACCIDENT

Stefanos Chadjistavrou, of Margaret Street, West Newport, was found guilty of failing to give his name and address to the owner of a motor car damaged in an accident.

At Williamstown Court last week accused pleaded not guilty.

Svetlana Onachinko, of Bradley Street, West Newport, said while driving her car in Graham Street, West Newport, on May 28, a car came out of a street on her left and made a right hand turn in front of her which resulted in a collision between the cars.

She asked accused his name and address but he refused the information. He also said he was in too much of a hurry to wait while she rang police.

When following the accident Constable W. Peasnell interviewed defendant, the defendant said when turning into Graham Street a road grader on the corner obscured his view and a car ran into him.

Defendant said he did not give his name and address because the woman did not reveal her name.

Defendant was found guilty of the charge and fined £3.

"MERRY WIDOW" BACK

Australian world renowned soprano and musical comedy star, June Bronhill, who retired from the cast of "The Sound of Music" during the Sydney season, following on her marriage to television producer, Richard Finney, and who recently became the mother a baby daughter, will return to the stage in one of her most popular roles—that of "The Merry Widow."

"The Merry Widow" will play for a brief return season at the Tivoli Theatre, commencing on Wednesday, August 7.

The production which was previously staged at the Tivoli Theatre will again be presented by Garnet H. Carroll in association with the Australian Elizabethan Theatre Trust in response to an unprecedented demand from Theatregoers.

From the original production as staged at the Sadler's Wells Theatre, London, and directed by its original London Director, Charles Hickman, "The Merry Widow" will introduce to Melbourne audiences fellow Australian, Sadler's Wells star, Jon Weaving, as Danilo.

The company in support is that which were so very popular presenting "Orpheus in the Underworld" here and include Gordon Wilcock, Maurice London, David Gray, Ivan King, Gladys Anderson and the fabulous "Can Can" ballet.

Franz Lehár's immortal operetta "The Merry Widow" has proved to be the most popular musical ever staged, and the new English version by Christopher Hassal, for the Sadler's Wells has ensured that this show has not dated but is, in fact, very much up-to-date.

The Company presenting it totals over 100, and includes full chorus, augmented ballet, and full concert theatre under the direction of Eric Clapham.

It must be remembered that the Melbourne season commencing at the Tivoli Theatre on Wednesday, August 7, is strictly limited.

YOUTH CLUB NEWS

On Friday night a crowd of over 200 people attended the Youth Centre for the annual presentation of prizes of the Western Suburbs Basketball League.

The presentation of prizes was made by the shire president, Cr. A. W. Bond, who was accompanied by Crs. S. G. McIntosh and V. Hearn. A girls lightning premiership was contested by teams from St. Kilda, South Kingsville Imperials, Sir. William Angliss Co. and Altona.

Altona girls put up a very fine performance against a much bigger and more experienced Imperials, and lost 20-12.

Catering was carried out by the ladies auxiliary of the club in the usual efficient manner and an enjoyable night's dancing was had by the young people present.

The boys coach, Arnold Anns, and the girls coach, Sgt. Pete Meadows, deserve the greatest credit for doing so much to foster basketball in Altona. Sgt. Meadows travels from Werribee each week to coach his team and Arnold Anns, who is in business as a drainage contractor, gives of his valuable time not alone to coach his boys, but also to attend the League meetings regularly.

League awards were as follows—

Under 20: South Kingsville. Best and Fairest: B. Knight of South Kingsville.

Runner-up: R. Johnston of Altona.

Under 16: City of Sunshine. Under 14: Footscray.

Boys or girls up to 20 years are welcome to join the club teams and are invited to practice on Tuesday night. Boys at 8 p.m. and girls on Friday night from 8 p.m. in the Youth Centre.

"WILDCAT" A HIT

Australian television stage comedienne, Toni Lamond, has made a very definite personal hit in the title role of "Wildcat"—the new Broadway musical comedy currently playing at the Princess Theatre.

"Wildcat" is the stage show in which Lucille Ball returned to Broadway after many years as one of television's leading comics.

It is, therefore, fitting that in the Garnet H. Carroll production, a leading television comedienne should be starred.

In support of Toni Lamond is an excellent cast of song and dance performers including, from England, the leading man, Gordon Boyd, who has a very handsome and rugged appearance plus a fine voice of operatic quality; comedy star, Keith Petersen—even funnier than in "The Pyjama Game;" Wim Jonkers—last seen here as the Caliph in "Kismet;" Canadian musical comedy lead, Norah Halliday, and a company of very talented musical people.

This production introduces the "Top 40" tune "Hey, look me over" and the score has over 10 very tuneful numbers such as "Tall Hope," "That's What I Want for Janie," "What Takes my Fancy" and "Tippy, Tippy Toes."

Located in the United States, close to the border of Mexico, with the story line concerned with the search for the discovery of oil, this Musical Comedy is a fine evening's entertainment and a real cure for the blues.

The Melbourne season is limited as the production must shortly travel to Sydney, and Toni Lamond has her television commitments to return to.

Anyone seeking a relaxing, pleasant, and bright night out, can not do better than see "Wildcat."

CLUB NEWS**

A GRADE.—In the first 10 minutes of this game Altona had the opposition floundering with fast, open hockey.

Due to lack of experience, the opportunities to score were wasted and the Ivanhoe side settling down, scored a valuable goal before the interval. The game after half-time followed the same pattern, but once again the Altona side did not manage to penetrate the defence of Ivanhoe and were unable to score.

Final score: Ivanhoe 2, defeated Altona 0.
Best: J. Bartlett.

B GRADE.—In a spiteful game which unsettled Altona, Fairfield took the advantage and scored the first goal to give them the lead, which they kept all day.

But Altona were not to be denied, and fought back to level the scores by half-time. In the second half, with tempers frayed, it was not a good game of hockey, and ended in a 3 all draw.

C GRADE.—Altona topped the undefeated Essendon side 3-2.

In a brilliant first 10 mins. in which the forward line put on three goals, Altona went away to a good lead.

However, Essendon came back, but Altona's solid defence held them out.

As this was the team that gave Altona their first defeat, it was deserving that Altona should turn the tables.

Goals: J. Rielly 1, A. Wieganga 1, S. Hyde 1.

Best: P. Hunter, S. Ashman and E. Kipp.

UNDER AGE HOCKEY

UNDER 15 played Power House at Albert Park and came out victors 2-1.

Power House were first into attack and only good keeping by John Golden kept them scoreless. Altona were a long time settling down and when they did reach the circle they were off the target, finally, a nice pass by Charlie Abela found Bill Duncan, who registered Altona's first goal.

Altona attacked again, and Jeremy Hunter scored a neat goal to put Altona further ahead. Power House were stung into attack and scored from a scramble in the circle as the half-time whistle sounded.

In the second half both teams played good hockey, but could not penetrate the defences and the game ended with Altona now holding a certain position in the semi-finals.

Best: R. Ford, J. Golden, J. Hunter and C. Abela.

UNDER 13 travelled out to Greensborough and managed to hold the home side to a nil all draw.

The defence, led by B. Smith and K. Gathercole, were under pressure for almost the complete game but were able to hold the attackers off.

Best: G. Mizzi and R. Lukoszek.

THIS WEEK'S GAMES

The Australian Championships will be held from August 3 to 10 at the Albert Ground.

On Sunday, August 4, the B Grade team will play a game against the Victorian School-boys team at Altona, commencing at 10 a.m.

Under 15 v. M.C.C. at Altona at 9.30 a.m.

Under 13 v. Kew at Kew at 10.30 a.m.

BRISTOL BREAK THROUGH

Bristol Hotel finally accounted for Union Carbide in the 2nd semi-final last Thursday night.

Bristol now have a week's rest, whilst Union Carbide and Altona Council play-off in the preliminary final to see who will meet Bristol in the battle for the coveted premiers title.

**DIVISION 2
CROWN CRASHES**

In a very tense match, which went the full nine games, Crown Jewels crashed from the top when Ad Astra won the team game.

The singles caused excitement when the scores became 3 all—tension mounted when each team won their trebles match.

In the first teams game the strain and pressure was on when both teams wanted a double to take the game, and it was Bill Patchett of Ad Astra who threw the winning Dart.

Naturally, Crown Jewels was very disappointed, but agreed that the match was one of the best ever played.

DIVISION 3
Ad Astra followed in the footsteps of their No. 1 team and caused an upset when they defeated top team Central Altona, by the odd game, and to put themselves in 2nd place of the final four.

Terminus Hotel scored an easy victory over Bristol with a seven game win, to notch the third position.

Brooklyn Hostel defeated Crown Jewels to gain the 4th position.

LAST WEEK'S RESULTS
Ad Astra 5, defeated Central Altona 4. Terminus Hotel 7, defeated Bristol Hotel 2. Brooklyn Hostel defeated the Crown Jewels.

FINAL SERIES
Tonight (August 1) at Marions Hall, Seaholme, the following matches will take place.

DIVISION 1.—Preliminary Final: Union Carbide v. Altona Council.

DIVISION 3.—First Semi-Final: Central Altona v. Ad Astra. Second Semi-Final: Brooklyn Hostel v. Terminus Hotel.

Teams are requested to be ready to commence play at 7.30 p.m. as there is a big program ahead if each match lasts the full nine games.

TROPHIES
The League thanks the following donors of trophies—

Bristol Hotel: Division 1 Premiership Trophy; Crown Hotel: Division 2 Premiership Trophy; Terminus Hotel: Division 3 Premiership Trophy; Yacht Club Hotel: Highest Individual Score; "Altona Star": Knockout Competition; Koorlingal Service Station (G. Hancock): Most Individual Games Won.

SUMMER COMPETITION
Entries for the summer competition close on Friday, Aug. 16, 1963. Application for application forms, player's registration forms and playing rules and regulations may be had by contacting the League Secretary, Bob Rose, 4 Linden St., Laverton, phone 68-0214 (after 6 p.m.).

PUBLICITY OFFICER
With the growth of the League the secretary is finding it difficult to keep up with the routine administration and requests that any person interested in filling the position of publicity officer, to do the write-ups for the various papers, etc., to contact him at the above address.

SINGLES AND DOUBLES DARTS CHAMPIONSHIP
If enough entries are received, the League will conduct singles and doubles darts championships at Marions Hall, 9 Queen Street, Seaholme as follows—

YACHTING NEWS

At the annual general meeting of the Altona Yacht Club held last Friday night, the members re-elected Mr. William Smith as Commodore for the 1963-64 sailing season.

Mr. Jack Bradley was elected as Vice-Commodore and Mr. William Johns as Rear Commodore. Mr. Trevor Pearl was once again returned as secretary.

Mr. Alan Owen will continue as Club Captain, and Mr. Jim Robertson will be judge and starter for the coming season.

It was reported at the meeting that membership during the past 2 months had increased by more than 35 per cent., while the number of yachts had nearly doubled during the past two seasons and the club is enjoying keen, competitive regular sailing each Saturday afternoon from November through to April.

TABLE TENNIS NEWS**VICTORIAN TITLES**

In the Victorian Table Tennis Championships, held at Albert Park recently, Miss Leona Francis, of Apex Belting, won the Ladies Singles Championship in C Grade.

This is a commendable effort inasmuch as Miss Francis has only been playing competition in the Western Suburbs during the last two seasons, and had shown such rapid improvement that she was runner-up to Miss Dulcie McGlone in the Ladies Singles title and, with Dianne Robertson, she won the Ladies Doubles Championship.

WINTER PENNANT

With the tournament successfully concluded, all teams are eager to get back into competitive play this week, and the next few weeks results will be vital to teams on the fringe of the final group. Semi-finals commence on August 30.

A Grade matches this week at the centre are—

Altona v. Seagulls and Esplanade v. Maidstone.

SUMMER PENNANT

Although the chilly season of winter is still with us, plans are now in hand for the next competitive season—the summer pennant. Applications are invited from present teams and from any new teams or players, and further information can be obtained at the Table Tennis Centre, Garden Street, Williamstown, or from secretary Alby Walker, 85 Queen Street, Williamstown.

**WEST NEWPORT
BASEBALL CLUB**

The A Team scored a big win over Preston last Saturday and are now well on their way to second place. The B Team were unlucky in losing 11-8 to Coburg and now have no chance of making the finals. The Juniors defeated Footscray 6-1 to keep their slim finals chance alive.

A TEAM

West Newport held Preston scoreless in a game that was marred by Preston's bad fielding. The batting and fielding of West Newport was good. Kevin Michael pitched extremely well to Jimmy Michael, and between them they held Preston to one safe hit.

Ron McDonald Sen., John Reale and Ron McDonald Jun., each got three safe hits.

Four games remain before the final series.

With top teams Northcote and Melbourne University playing each other this week West Newport must win to take second place.

INNINGS SCORES

West Npt. 0,1,1,4,3,0.—19.
Preston 0, 0, 0,0,0,0.—0.

Safe Hits: Ron McDonald Sen. 3, Ron McDonald Jun. 3, John Reale 3, Chris A'postalides 2, John Armstrong 2, Jim Michael 1, Kevin Michael 1, Alan Solomonano 1.

Best Players: Kevin Michael, Ron McDonald Sen., Jimmy Michael, John Reale and Ron McDonald Jun.

B TEAM

In a close game against Coburg, the B Team lost 11-8. Tony Michael pitched to Alan White, and notched 10 strike-outs.

West were on top in the first innings and led 2-1, but Coburg broke through later to score their 11 runs.

In the last innings West Newport fought back to bring home 4 runs, with Kerry Barr hitting a three-base hit with bags loaded.

Safe Hits: Peter Campbell 2, Kerry Barr 1, Don Mackay 1, Duncan Swallow 1.

Best Players: Don Mackay, Peter Campbell, Kerry Barr.

JUNIORS

The Juniors, playing at home, defeated Footscray 6-1.

The game was the best played by the Juniors for the season. Terry Forrester pitched extremely well to Don Henderson, and was well backed up by good fielding by the whole team.

Safe Hits: T. Forrester, R. White, T. Whitlock, C. A'postalides, J. Armstrong.

Best Players: T. Forrester, R. White, C. A'postalides, J. Armstrong.

THIS WEEK'S GAMES

The A Team play Y.M.C.A. at Loft Reserve, West Newport, at 12 noon.

The B Team play Sunshine at Barclay Reserve, King Edward Avenue, Sunshine, at 12 noon.

The Juniors play Port Melbourne at Lagoon Reserve, Port Melbourne, near the Gas Works, at 9.30 a.m.

MOTORIST FINED £20

William Auster Walsh, public servant, of Pier Street, Altona, was charged with exceeding 35 m.p.h. in Millers Road on May 1, and that he did permit a portion of his vehicle to cross a school crossing when vehicles were stationary at the crossing.

Also that he did approach a school crossing and did fail to travel at such a speed as to be able to stop before reaching the school crossing if necessary. He pleaded guilty to exceeding the 35 m.p.h. limit, but not guilty to the other two charges.

Constable R. McNeill, of the mobile traffic squad, said at 8.30 a.m. he saw defendant driving north in Millers Rd. approaching the school crossing near Hobbs Street. There were four children on the crossing in front of a stationary car. Defendant crossed at 35 m.p.h. without first stopping. The children were in front of the stationary car. He followed Walsh and checked his speed at 60 m.p.h. for one mile, during that time he crossed another school crossing. There was no children on the crossing, but there were on both sides of it.

At the first crossing Walsh pulled out and overtook three stationary vehicles on their right side. The children would have been out of his view.

Walsh said in the witness box that as he approached the crossing he had a reasonable view and the children had just crossed over and there were none about to step on to it. He crossed it at 25 m.p.h. and the crossing was quite clear by the time he reached it. He agreed he exceeded the speed limit but said his car was not capable of doing 60 m.p.h., it would not have been in excess of 50 m.p.h. He may have crossed the second crossing at 50 m.p.h., but there were no children within stepping distance of the crossing.

Mr. P. L. O'Connor, S.M., said it was not shown that it was necessary for Walsh to stop at the second crossing to comply with the regulations and the third charge was dismissed. He was fined £10 on each of the other two charges.

SCHOOL CROSSING FINES

Howard Ronald Smith, of Pascoe Vale, was charged with failing to stop his vehicle at a school crossing while children were crossing thereon. He pleaded not guilty.

Constable A. Timms, of the mobile traffic squad, said on April 24, in front of the Brooklyn School, Millers Road, two children had started to cross as defendant approached. He slowed down and rolled across at an estimated 5 m.p.h. and passed behind the two children. He told Const. Timms he could see the children were well across.

Smith declined to give evidence and was fined £1 in the circumstances.

Edward George Verity of Rose Street, Altona, was charged with failing to stop his vehicle at a school crossing whilst persons were on it.

Const. Timms said on April 23, in front of the Altona North Technical School, he saw approximately a dozen pedestrians start to cross and defendant drove over the crossing in front of them at an estimated 5 m.p.h. Verity told him the car on the other sides drove off and anyway they were only on the gravel.

Const. Timms said the children were on the gravel which is each side of the road, but were past the pole and flag. The white lines were not able to be put on the gravel. He drove on the same side of the road as the children were crossing, in front of them.

He was fined £10.

DID 30 OVER SCHOOL CROSSING

Danilo Nemec, of Bathmines Road, Hawthorn, was fined £10 for crossing the school crossing outside the Brooklyn Primary School in Millers Rd. on April 24, whilst there were pedestrians on it.

Const. Timms said defendant drove over the crossing at 30 m.p.h. in front of eight children who had started to cross.

ROAD SAFETY STARTS WITH YOU

Pedestrians bet their two feet against four wheels every time they cross a road. Always cross roads and streets at intersections or marked crossings. —Australian Road Safety Council.

"WATCH YOUR STEP AND LIVE" CAMPAIGN

All Victorians are being asked to make a special effort this month to reduce the mid-winter toll of pedestrian deaths and injuries.

The campaign has been organised by the National Safety Council, with the support of the State Government, the police, local government bodies, the Press and retail traders.

Its aim is to make pedestrians and motorists aware of the need to take special care during the mid-winter period, the most dangerous time of the year for pedestrians.

The theme of the campaign one of the biggest and most concentrated pedestrian safety drives held in Victoria, is "Watch Your Step and Live."

Last year 727 pedestrians were killed on Australian roads and 8,239 injured. In Victoria 246 were killed and 2,465 injured. A big proportion of pedestrian fatalities occur in winter, when the weather conditions and early darkness make pedestrians extremely vulnerable.

In a special safety message Shire President, Cr. A. W. Bond, said, "Many pedestrians cause their own deaths by not following the normal safety rules when walking along the roads or when crossing roads. Pedestrians must remember that, in mid-winter, it is often difficult for drivers to see them."

"Motorists, too, should exercise even greater care than usual when driving in or near the town, particularly in the late afternoon or at night."

"Pedestrian fatalities can be avoided, if all the road users follow the common-sense rules of safety."

Cr. Bond said that the highest percentage of pedestrian road deaths was among elderly people and urged that they should be particularly careful when out walking.

He advised all residents of Altona and districts to read the following life-saving rules for pedestrians and abide by them—

★ Always look right, left, and right again before crossing the road.

★ Keep a sharp look-out while you're crossing.

★ Where there are no footpaths, always walk facing the oncoming traffic.

★ At night always wear or carry something white.

★ Be extra careful where there is no pedestrian crossing.

★ Obey traffic lights—they're there for your protection, too.

★ Don't take that chance—better to be late, than "the late."

ALTONA SHOPPING AREA

Building activities in the Altona shopping area are now permitted only by sanction of the Altona Shire Council. This is the effect of an Interim Development Order now approved by the Governor-in-Council.

The area concerned is that bounded by Railway Street South, Bent Street, The Esplanade and Sargood Street. The land zoned light industrial in Pier Street, north of the railway line, is also included.

The purpose of the direction is to enable the council to control the type of building or establishment erected.

This will permit the orderly development of the area in the direction of plans approved by the council.

AUSTRALIA DAY COMMITTEE

A public meeting will be held on September 19, at which all those interested in the celebration of Australia Day should be present.

At this meeting an election of committee will be held.

Equally important is the hope there will be an expression of representative views on the best means of celebrating the day.

Cr. H. W. Lee said that the last meeting of the committee attracted but two additional people. He said they are not getting the response expected from people they thought would be interested.

All head masters of local school will be asked to sponsor an essay competition.

Any other suggestions will be appreciated.

NO MOTOR BIKE LICENCE

Daryl Barret, of Queen St., Altona, was fined £5 for riding a motor cycle in Blyth Street, Altona, without being licensed on March 2, and £5 for riding a motor cycle, that was not registered.

ALTONA NORTH TECH. MOTHERS' CLUB

At its annual meeting recently, Mrs. E. Bell, retiring president, was thanked for her four years as the club's first president and was presented with an attractive vase.

Other officers, including Mrs. Curtis, secretary for three years and members were also thanked for their work during the past twelve months.

Officers elected were—

Mrs. Sanders (president), Mrs. Pearce (secretary), and Mrs. Ivey (re-appointed treas.)

The club is holding a sale of gifts on Education Day and Night, August 9. Donations of goods or cash will be gladly received at the school office.

DID 55 IN A 35 ZONE

Edward Charles Dyke, of The Esplanade, Altona, was fined £7 for doing a steady 55 m.p.h. in a 35 m.p.h. zone in Kororoit Creek Road, North Williamstown on May 7.

FAILED TO STOP AT FLASHING RED LIGHT

Colin Keith Kirk, of South Yarra, was fined £5 for failing to stop at the flashing red light at the corner of Kororoit Creek and Millers Roads, Altona, on March 3.

SPED IN 35 ZONE

Enoch Sharp, of Cambridge Street, Seaholme, was fined £8 for doing a steady 58 m.p.h. in a 35 m.p.h. zone in Millers Road, Altona North, on April 15.

THE D.L.P. SAYS...

(The following article is contributed to the "Altona Star" by the Labor Federal Electorate Committee of the Democratic Labor Party—C. P. Meehan, Sec.)

The Democratic Labor Party is well aware of the difficulties being experienced by families with low incomes when they have to support several young children.

It is with the needs of the family in mind that the party has formulated its policies on housing, wages, education and social services.

The D.L.P. advocates an increase of Child Endowment on a graduated scale—

Second, third and fourth child increase from 10/- to 20/- each;

Fifth child: increase from 10/- to 22/6;

Sixth child increase from 10/- to 25/-;

Seventh child: increase from 10/- to 27/6 and so on to a maximum of 40/-.

Since the endowment rates have remained unchanged since 1950 and there has been no increase in the rates for second and subsequent children since 1948, the present Government may get around to making an adjustment one day.

If the Government decides on a vote-catching increase of 5/- per week granted for the first child in the next

budget then they will not be doing justice to the family with more than one child.

An endowment increase of 5/- per week for the first child would mean that the one-child family would benefit by a full 5/- per week towards the cost of that child, but a family with five children would receive only the equivalent of 1/- a week increase per child.

Inflation over the past 15 years has more than halved the real value of endowment and Democratic Labor is convinced that the increases put forward in the table above are not only demanded in social justice, but would tend to a rise in the Australian population through natural increase at a time when the immigration program is lagging behind.

OIL INDUSTRY UNREST

At the Oddfellows Hall, Melbourne, on July 23, 300 Oil Installation and Refinery Maintenance staff heard the offers of their employers for the six-month overdue, Oil Award, together with the claim by the employers to insert the vicious 'penal clause.'

After listening to Boiler-maker, Ironworker and A.E.U. Organisers explanations of the one-sided agreement the result was put to the test by vote, which was rejected unanimously and the employees submitted their findings of how a dispute should be settled.

The monetary offer was much less than small firms in the area are paying with no disputes clause to contend with.

LABOR VIEWS

(The following article has been contributed to the "Star" by the Central Executive of the Australian Labor Party.)

The State Government's mishandling of State development has gone from bad to worse. The whole pattern of Victoria's growth in recent years is so unbalanced and mis-shapen that it can only be described as something deformed.

About 70 per cent. of the State's population is within the metropolitan smudge, and this is a national calamity.

The extent of the distortion continues to grow. Melbourne's boundaries spread wider and deeper into the countryside and costly problems of every kind pile up to new heights defying solution.

Mr. Bolte's neglect of decentralisation becomes more starkly revealed every day. While the scarcely used port of Portland offers unlimited opportunities as the focal outlet of an area that could be built up to become a rich region of secondary industries and rural pursuits.

Mr. Bolte smugly boasts that the proposed BP Refinery in Westernport Bay is a wonderful example of his kind of decentralisation.

Obviously development in this area, while desirable, must necessarily add still further to Melbourne's sprawl. That, however, is what the Premier means by decentralisation.

Far reaching recommendations for a vigorous plan of balanced State development have been submitted to the Government by the Distribution of Population Parliament Committee.

Mr. Bolte's only reaction to date has been negative.

He has expressed hostility to one recommendation for the expansion of the State Savings Bank activities to foster development as well as primary industries in country areas.

Labor's policy of extending the State Savings Bank into full trading bank facilities with a country development division is in full keeping with the Parliamentary Committee's recommendations.

Mr. Bolte and his L.C.P. colleagues pay lip-service to development and decentralisation. This will not solve the many problems that need urgent attention.

What is urgently required is dynamic action. But to expect this from a Government which is steeped in complacency is asking for too much.

When the Bolte Government is forced to take action it does so with extreme reluctance. This action is frequently far too late, and when taken as part of the whole, means very little in any case.

Although the State Premier represents a country electorate, his mind is orientated towards the city, and stays firmly embedded in the metropolitan area.

He closes his eyes to matters of great concern elsewhere and lives in the hope that the solution will be found for him.
